MEMORANDUM FOR: National Intelligence Officer for the USSR
FROM: Director of Central Intelligence
SUBJECT: USSR Leadership Today

If possible I would like to get your evaluation of the Soviet leadership today, where they think they are, where they think they will go derived from your own thinking as affected by your participation in the Shultz session tomorrow which I am passing up for you to be there. I am going to have to be talking about this kind of thing in my meetings with Helmut Kohl and Margaret Thatcher. If you will give me a quick note on your thoughts it would be helpful.
